

REALITY and CREATIVITY

Free monthly lectures

22.nd April 2012, at 16:45

Centralna tehniška knjižnica, University of Ljubljana, Trg republike 3

Andrea Murnik

Brain and body rhythms, recognition and identification

From Oliver Sacks's 'The Man Who Mistook His Wife For a Hat' to the Dunumba dance, from breathing to walking, from Inuit throat singing to Glenn Gould

This will be the fourth of a serie of monthly lectures on **non-Reality and Management of Creativity**, activity that is part of the research center "NisemTu" ("I am not here").

English is the official language of the lectures. **Free entrance**. Maximum participants number: 20 (**reserve your seat!**).

The meeting point is NOT AT THE ENTRANCE OF CTK, but just beside it, at the reception of TR3 tower, where an assistant will drive you to the CTK Sejna soba

2013 programme (dates to be fixed, not necessary in this order):

- "Perception, reality and memory"
- "Creation, vacuum, silence and the power of the words"
- "Quantum physics, determinated and undeterminated systems, the IF condition and the linear memory"
